Federally insured by NCUA

Balance	APY*
\$0.01-\$25,000	1.26%
\$25,001 and over	0.08%
Requirements not met	0%

3 simple requirements to receive the rewards:⁴

- 1) Make purchases of \$400 or more using a Provident debit and/or credit card per month^{5,6}
- 2) Have a monthly direct deposit or ACH transfer (automatic debit or credit) post to the account
- 3) Maintain enrollment in e-Documents

The minimum deposit required to open this Account is \$25. To qualify you must also be a member, 18 or older. Limit 1 (one) Super Reward Checking account per membership.

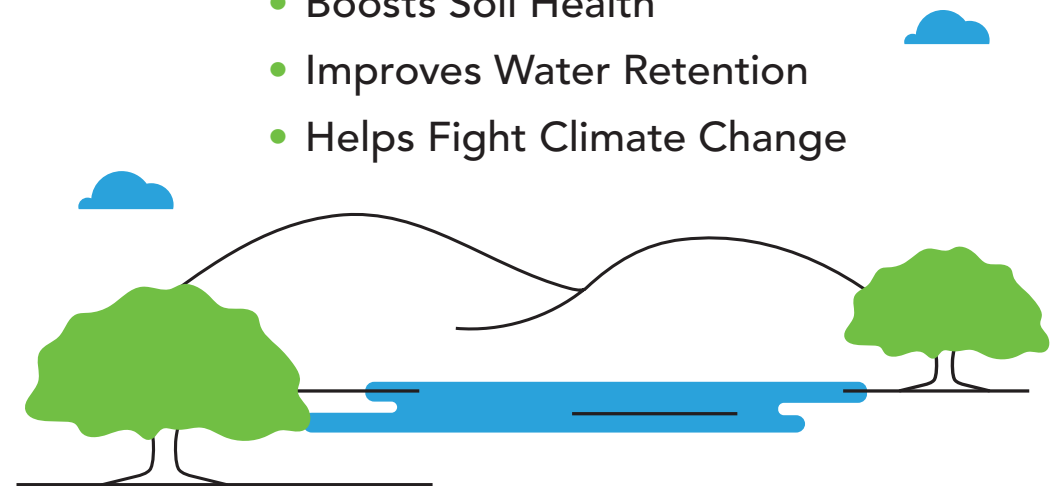

* APY (Annual Percentage Yield) as of 6/1/2022 and may change anytime.

1) Provident will rebate nationwide ATM surcharge fees imposed by the other institution, up to \$12 per month when you meet the monthly minimum requirements described above. ATM surcharge rebates will be deposited into your Super Reward Checking Account on the first day of the following month. 2) Provident accounts come with our special zero liability fraud protection guarantee that reimburses you 100% for any unauthorized electronic transactions. You are automatically covered when you report the incident promptly and meet your responsibilities for handling your account. For more information, visit providentcu.org/risk-free. 3) Certain restrictions apply. See www.providentcu.org for full eligibility details. 4) These are the requirements to receive 1.26% APY on balances up to \$25,000, 0.08% APY on balances beyond the first \$25,000, and ATM rebates. If the 3 requirements are not met in their entirety, the APY will be 0% and no ATM rebates will be issued for that month. **IMPORTANT:** All qualifying purchases and transactions referred to as "per month" or "monthly" only count towards the requirement of the month in which they POST, which will be on a business day (Monday–Friday) and may take one or more business days from the purchase/transaction date. 5) Automatic or electronic payments using your checking account and routing number are not considered purchases. By providing your payee with your debit or credit card number, your posted automatic payments will be counted as eligible purchases. Some bill payments will meet the monthly requirement for an ACH debit or credit transaction. Debit card cash-back amounts, cash advances on credit cards, and checks do not count towards qualifications. 6) Only one Visa credit card can have its purchases count towards your qualifications each month (whichever one that is selected on the account on the last business day of the month). If you have more than one Super Reward Checking account, credit card purchases on one credit card cannot meet the requirements of more than one checking account. ©PCU 6/1/2022
